"Children are our future and we are dedicated to their success"

14 October 2026

Dear Families

After School Club – Flexible Childcare Tokens

Following feedback from our families, we are pleased to introduce a more flexible service for our After School Club that runs every day term time only from 3pm-4pm.

Our club offers children a safe and supportive environment where they can spend time with their peers, engage in learning and play, and develop new skills as well as having a hot or cold snack. It also provides valuable wraparound care for working parents and carers.

Families can now purchase a pack of 5 After School Club tokens for £30. These tokens can be used throughout the current academic year whenever additional wraparound care is required.

Individual sessions can be booked in advance, and we can also accommodate emergency requests, subject to availability and prior arrangement with the school office by email or telephone.

We hope this new option provides our families with greater flexibility and reassurance when additional care is needed.

Thank you for your continued support.

Kind Regards

Mrs N Singh
